tPOS License Deactivation(eWinery)

1. Log onto eWinery
2. On the top of the screen choose SETTINGS
3. Choose the MPOS Tab
4. Toward the bottom of the screen find the Active License that you wish to deactivate and click the red X on the right**

The screenshot displays the 'Manage MPOS Settings' interface. At the top, navigation tabs include 'Edit User', 'Inventory', 'Newsletter Signup Fields', 'Custom Fields', 'Store', 'mPOS', 'Credit Cards', and 'Return/Refund Reasons'. The main content area is divided into several sections:

- Total Licenses:** 2 (indicated by a green '2')
- Active Licenses:** 1 (indicated by a red '1')
- Manage Devices:** A table with columns for Name, In Use?, and Location. It lists two devices: 'Pad1' (In Use: YES) and 'Mike's Device' (In Use: NO). Each device has a green plus icon and a red X icon.
- General Settings:** Includes 'Email Settings' (Send Completed Order Confirmation Emails: checked) and 'Accepted Payment Types' (with a note that payment types are now managed in the 'Payment' section of Winery Settings in vinSUITE).
- Required Billing Fields:** A grid of checkboxes for Address, City, Postal Code, Phone, Address 2, State, Company, and Email.
- Manage Locations:** A table with columns for Name and Location. It lists one location: '185 Pomeroy Cellars' Testing Room'.
- Active Licenses:** A table with columns for Device, Sales Associate, Current Status, Registered On, Expires, and a red X icon. The row for 'Pad1' shows a sales associate 'Daniel Brink' and a status of 'awake ((ts 2016-04-03 17:09:56))'.
- Background Image:** A section for uploading a background image, currently showing 'No file selected'.

A red circle highlights the red X icon in the 'Active Licenses' table, indicating the deactivation point.

**Please be careful and do not delete your Device Location. This will render the MoJoe app inoperable.
